

July 3, 2017

Dear Clients,

We have an important announcement regarding the HERS Breast Cancer Foundation program store located at the **Stanford Cancer Center (Stanford campus location)**. Please read the following carefully.

Due to circumstances beyond our control, as of June 30th, our store at the Stanford Cancer Center was permanently closed. The Stanford Cancer Center is growing and requires our current space for their patient services and, despite a great deal of effort by both Stanford and us, we have been unable to locate a suitable substitute space. We will continue to work with our partners in the Stanford Health Care organization in hopes of reestablishing a HERS presence at the Stanford Cancer Center at some point in the future. We will be sure to notify you if this ever comes to fruition.

We value each and every one of our clients, and we realize that the store closing will be inconvenient for many of you. Fortunately, we have two other store locations where we would be happy to serve you. Please find the location, contacts, and hours listed below. You can find more details, including maps and Fremont BART location, on our website: <http://hersbreastcancerfoundation.org/contact/>

Our flagship store in Fremont is just 30 minutes from the Stanford campus. The store is open five days a week plus one Saturday per month. We offer a full range of services and products there, including bras, prostheses, lymphedema garments, wigs, and head coverings. The Pleasanton store is open Tuesdays and Thursdays, 10-5 and is located in the Stanford Health Care ValleyCare Health Library. All services and products are available at this location except wigs.

At these two program stores, you will find some familiar faces, and can expect to receive the same warm welcome and friendly, expert assistance. If you have any questions or concerns, please feel free to contact us at 510-790-1911 or [hersinfo@hersbreastcancerfoundation.org](mailto:hersinfo@hersbreastcancerfoundation.org).

We look forward to seeing you in Fremont or Pleasanton soon. We wish you good health and a happy summer.

Sincerely,

A handwritten signature in black ink, appearing to read "Vera Packard".

Vera Packard, MD  
Executive Director  
HERS Breast Cancer Foundation
